Mental Health Therapist

Description

SMT therapists have the opportunity to work in a supportive, fun, professional, collaborative work environment with some of the best clients the city has to offer. Employees manage their own schedule, and have an opportunity for their career interests and passions to be cultivated and encouraged. We believe that through supporting you to build the career of your dreams, we are able to attract clients that are invested in the therapeutic process, and in Simple Modern as a whole.

Responsibilities

Therapist responsibilities include:

- Providing outpatient therapy to professional, creative and high-functioning individuals, couples and families.
- Taking clients from intake to discharge by providing theory-based treatment, optimizing opportunities for client success.
- Completing progress notes and other paperwork through our online EHR system per best practice standards.
- Communicating with clients, administration and colleagues promptly, warmly and professionally in person, as well as over phone, text and e-mail.
- Attending weekly staff meetings and bi-monthly administrative supervision.
- Managing billing and scheduling of individual caseload with the support of administration.
- Consistent and committed self-education and CEU seeking around special issues to improve expertise and quality service delivery.
- Offering creative and innovative ideas and solutions for community building and outreach.
- Contributing to the health and reputation of the Simple Modern Therapy brand through excellent client care and promotion of a positive work culture.
